

Paper Maps

This document describes the paper maps the Township office offers for sale.

Paper Maps

The table below shows the paper maps the Township office offers, with prices and details. All maps are color and printed on quality papers. When maps are in stock they can be previewed before being purchased at the Township Office

Map	price	description	Preview (reduced quality)	availability
Road and Reference Map	\$5	44" x 36". Centered on Central Frontenac, but with some other areas visible. Roads, lakes, crown lands, villages, lot & concessions, & government service locations. All features are labeled with names. 4 inset maps: Arden; Mountain Grove; Sharbot Lake; Parham.		Stocked
Frontenac County	\$20	36" x 72". Large map, boldly colored. Shows North, Central & South Frontenac, Kingston & Frontenac Islands, also some surrounding areas with reduced detail. Lakes, roads & highways, settlements, lot & concession grid (not labeled) are shown. The most accurate road map of the County available anywhere.		Limited stock, phone ahead to confirm.
Central Frontenac Extra Large	\$90	80" x 72". Very large map. All features of "Road and Reference Map" and shows 5 meter elevation topography. Size allows for all information to be easily read. Originally create to support Township business processes. This map comes in two sheets, some trimming and taping is required to assemble.		Special Order
