

2007 Household Hazardous Waste Changes

On December 12th, 2006, the City of Kingston passed a By-law to make changes to the Household Hazardous Waste (HHW) Service. The City of Kingston provides HHW Services to neighboring municipalities including residents of Central Frontenac.

- The fee for accepting Household Hazardous Waste is now \$32.00.
- The fee is now a “per-household” fee, not a “per-vehicle” fee.
- The quantity of waste is limited to 20 litres per household.
