In addition to these provisions in the *Municipal Elections Act, 1996*, the *Education Act* has been amended to provide for parallel changes for a candidate for a district school Board or a school Authority. (See Section 219(5) of the *Education Act*.)

Nomination Procedure

Every person who proposes to be a candidate must file nomination papers prior to receiving any campaign contributions and prior to expending any funds on a campaign. A candidate may file papers as early as May 2, 2022, with respect to the 2022 elections.

Section 33 of the *Municipal Elections Act, 1996*

- (3) *If the person was previously nominated for an office on the same Council or Local Board in the same election and paid the nomination filing fee at that time,*
- (a) *clause (2) (c) does not apply; and*
 - (b) *for the purposes of section 34 (refund) and paragraph 9 of subsection 67 (2) (expenses), the fee paid at the time of the earlier nomination shall be deemed to have been paid in connection with the later one.*

Time for Filing

- (4) *The nomination may be filed,*
 - (a) *between May 2 and any day in the year of the regular election that is before Nomination Day, at a time when the Clerks office is open; or*
 - (b) *on Nomination Day between 9 a.m. and 2 p.m.*

**For the 2022
Elections,
Nomination Day is on
August 19, 2022.**

Exception for Additional Nominations

- (5) *If the number of nominations filed for an office and certified under section 35 is less than the number of persons to be elected to the office, additional nominations may be filed between 9 a.m. and 2 p.m. on the Wednesday following Nomination Day. (August 24, 2022)*

§ Facsimile transmissions or mailed-in nomination forms will not be accepted.

** The declaration of qualifications must be taken before a Commissioner of Oaths. The municipal Clerk's office can administer this declaration for you.

Refund of Deposit

A candidate is entitled to receive a refund of the nomination filing fee if he or she:

- (a) *withdraws the nomination under Section 36.*
- (b) *is elected to the office; or*
- (c) *receives more than the prescribed percentage of the votes cast in the election for the office††.*

Certification of Nomination by Clerk

- 35 (1) *The Clerk shall examine each nomination that has been filed, in accordance with the following timetable*
- (i) *All nominations filed on or before Nomination Day shall be examined before 4 p.m. on the Monday following Nomination Day. (August 22, 2022)*
- (2) If satisfied that a person is qualified to be nominated and that the nomination complies with this Act (Municipal Elections Act, 1996), the Clerk shall certify the nomination by signing the nomination paper.
- (3) If not satisfied that a person is qualified to be nominated or that the nomination complies with this Act, the Clerk shall reject the nomination.
- (4) When the Clerk rejects a nomination, he or she shall, as soon as possible, give notice of the fact to the person who sought to be nominated and to all candidates for the office.
- (5) The Clerk's decision to certify or reject a nomination is final.

Since it is the responsibility of the candidate to ensure they meet all the qualifications and file proper nomination papers, each candidate should contact the Municipal Clerk to ensure that their nomination forms are in order. Since the Clerk may examine the nomination papers after the nomination period ends and may reject them, a candidate may find that their papers have been rejected and they are too late to file additional information or provide proof to the Clerk of their qualifications. Candidates may wish to contact the Clerk of the municipality and determine the method to be used to certify nomination papers to prevent any misunderstanding. If nomination papers are filed early, it will assist the Clerk in certifying the papers before nominations close.

†† The prescribed percentage of the vote for the return of deposit is at least 2% of the total votes cast for the same office.

All expenses count toward the candidate's spending limit, except items 3, 5, 6, 7, 8, 9 above. Campaign expenses may only be incurred after a candidate is nominated and only incurred by the candidate or an individual acting on behalf of the candidate. It is the responsibility of the candidate to ensure that copies of receipts are kept for all expenses.

What Limits Are There on Campaign Spending?

The Clerk will provide each candidate with an estimated spending limit upon filing of nomination papers. The estimate will be calculated based on the number of electors on the voters' list as of nomination day in previous election. As well, the clerk will provide the candidate with the maximum contribution the candidate and his/her spouse may make to the campaign and the maximum that can be spent on the cost of holding parties and making other expression of appreciation after the close of voting.

By September 25, 2018, the clerk will provide each candidate with a final spending limit. The final campaign spending limit will be calculated based on the number of electors on the voters' list as nomination day for the current election.

The higher of the final limit or the estimate becomes the candidate's official spending limit.

If the candidate's campaign expenses and contributions were each less than \$10,000, he or she must file a financial statement in the prescribed form.

Expenses Over \$10,000

If the candidate's expenses or contributions were over \$10,000, they are required to have their final statement audited and submit the auditor's report to the clerk along with their financial statement, on the prescribed forms. The auditor's report must be prepared by an auditor licensed under the Public Accounting Act, 2004.

Campaign Surpluses

Any surplus in a candidate's campaign must be paid to the Clerk. The Clerk will hold that amount in trust for the candidate and will return it, with interest, to the candidate if the candidate incurs expenses related to a recount, an application for a controverted election, or a compliance audit. If the surplus is not needed for these expenses, the surplus becomes the property of the municipality or school board.

Campaign Deficits and Extending Campaign Periods

If a candidate has a deficit in their campaign they may extend the campaign period beyond January 3, 2023, to obtain additional contributions to eliminate the deficit, by notifying the Clerk in writing of the extension on or before January 3, 2023.

The campaign may be extended until:

- the deficit is eliminated, or
- the day the candidate is nominated for a new election on the same Council or local Board (if such nomination is before June 30, 2023), or
- the day the candidate notifies the Clerk that no further donations will be accepted, or
- June 30, 2023.

If a candidate extends the campaign period, supplementary reporting period financial statements (and auditor's reports) will be required. The supplementary reporting period will end on June 30, 2023.

There are no further extensions of any campaign period beyond June 30, 2023. The financial statements and auditor's reports must be filed by 2:00 p.m. on September 26, 2023.

If, after June 30, 2023, the candidate incurs expenses relating to a recount, an application for a controverted election or a compliance audit, the Clerk shall refund, with interest, any surplus being held in trust for the candidate. The candidate may use this surplus to only pay for the expenses relating to a recount, an application for a controverted election or a compliance audit and cannot accept any contributions. The candidate must file the prescribed financial statement for every 90-day reporting period following the release of the surplus until the surplus is exhausted or the recount, controverted election or compliance audit is completed. The financial statement is due 10 days following the end of the 90-day reporting period.

Penalties for Non-Compliance

If a candidate fails to:

- a) file the required documents,
- b) pay a surplus to the Clerk, or
- c) file documents showing on its face that the candidate exceeded the spending limits.
- d) file documents showing on its face a surplus and the candidate fails to pay the amount required by that section to the Clerk by the relevant date

In addition to any other penalty imposed under the *Municipal Elections Act*, a candidate is subject to the following penalties:

1. In the case of the defaults described above,
 - (i) the candidate forfeits any office to which he or she was elected, and the office shall be deemed to be vacant,
 - (ii) until the next regular election has taken place, the candidate is ineligible to be elected or appointed to any office to which this Act applies.

The penalties for failing to file financial statements by March 30, 2023, do not take effect if they are filed no later than 2:00 pm 30 days after the due date and the candidate pays the Clerk a late filing fee of \$500.00.

Notice of Default

The Clerk is required to notify the candidate and the Council of local board in writing that the default has occurred and the nature of the default. The Clerk must also make this information public.

Application to Extend the Time to File the Required Documents

A candidate requiring an extension to the filing deadline must apply to the Ontario Court of Justice **prior to** March 29, 2023. If the court is satisfied there are mitigating circumstances justifying a later date for filing the document, the court may grant an extension for the minimum period of time necessary to enable the candidate to file the document, but the court shall not grant an extension for more than 90 days.

A candidate who has applied for an extension to the filing deadline must inform the clerk that they have done so prior to 2 p.m. on March 31, 2023. S.88.23 (7), s.88.27(4)

Effect of Extension

If an extension for filing a document is granted: the penalties set out above apply only if the candidate has not filed the document before the end of the extension.

When Penalties in Effect

If a candidate fails to file a required financial statement or auditor's report (or any other document required under the *Municipal Elections Act, 1996*), fails to pay over a surplus or exceeds the spending limit for the office, the candidate forfeits any office to which he or she was elected, and the office is deemed to be vacant. The penalties will take effect on the deadline for the filing of the documents. If the candidate applies to the Ontario Court of Justice for an extension of the time to file the financial statement and fails to file the documents by the date established by the Court, the penalties will take effect at the end of the period of extension.

Compliance Audits

Every Council and school board must appoint a compliance audit committee by October 1, 2022.

An elector entitled to vote in an election may apply to the Clerk of the municipality or the secretary of a local board for a compliance audit of the campaign of any candidate within ninety [90] days of the filing date of the financial reports of the candidate. Within 10 days after receiving the application, the Clerk of the municipality or the Secretary of a local Board shall forward the application of the Compliance Audit Committee of the Council or the local Board and provide a copy of the application to the Council or local board. The committee must consider the application and decide whether to grant or reject the application within thirty [30] days.
