

# MANDATORY SEPTIC RE-INSPECTION PROGRAM

Your township is committed to protecting the health of our watershed. Your participation in this re-inspection program will ensure a safe home with healthy groundwater and surface water and the continued enjoyment of a clean, healthy waterfront environment for generations to come.

## We provide septic re-inspections on:

- Earth Pit Privies and Composting Toilets
- Greywater Pits
- Cesspools
- Septic Tanks & Leaching Fields
- Holding Tanks

*For the health of your home, your lake and your community!*

# MANDATORY SEPTIC RE-INSPECTION PROGRAM

The Mississippi-Rideau Septic System Office (MRSSO) staff are professional, impartial and are registered Building Official Inspectors who will:

- identify where your septic tank, bed, pumps and other parts are found
- assess the health of your septic system and identify any issues before they become expensive problems
- recommend when and how often to pump your specific system
- explain the importance of a well-functioning system that safeguards your family's health and protects groundwater and surface water quality
- help you understand replacement system options and direct you to grants available to help fund a replacement system
