## **Township of Central Frontenac closes all Parks, playgrounds and sports fields**

**Sharbot Lake, ON** – Effective immediately all Municipal parks, playgrounds, playground equipment and sports fields in Central Frontenac are closed to public use.

These added precautions are put into place to assist in preventing the spread of COVID-19. As the weather is changing and we all get the urge to be outside, please keep in mind that now is not the time to put down our guard. We need to continuously remind ourselves to self-isolate if we feel ill, maintaining at least two meters distance when out in the public, wash our hands regularly and disinfecting high touch zones in shared spaces.
