Pre-Construction Survey

Dear Resident(s):

Crains' Construction Ltd. has been contracted to undertake rock excavation operations in your area. PCA Adjusters have been retained on behalf of Crains' Construction Ltd. to complete pre-construction surveys of physical structures of select properties in your area.

Crains' Construction Ltd. is obligated by provincial and municipal standards to retain a third-party to complete pre-construction surveys. The surveys will include an inspection and photographs of the exterior of your home.

PCA Adjusters will be completing surveys on Thursday June 11th, 2020.

Please contact PCA adjusters at 1-866-544-9771 with any questions you may have regarding the pre-construction survey.

Regards,
Chris Crain
